DESCRIPTION

500 SERIES

The SwimEx 500 S Series Swim Spa is an elite swimming machine. This easy-to-maintain fiberglass pool has a 50" (127 cm) water depth for extreme versatility, power and resistance. The state-of-the-art water system has 100 speeds and an 18" (46 cm) deep current to match any fitness level. Channels on each pool side create built-in seats for additional exercise options. Optional jets can be added behind each seat for optimum recovery and relaxation.

A running pad, swim arrow and front step offer additional exercise options. Add a deep water well or an integrated underwater treadmill to this pool for even more workout versatility. The flexibility of this swimming machine is ideal for any home, and SwimEx custom pool options will complement any interior or exterior design.

This is the ideal pool for swim spa enthusiasts who want both a great workout and a place to relax.
