

500T Series

500 T, 500 OT

Models:

500 T, 500 OT

Performance zones:

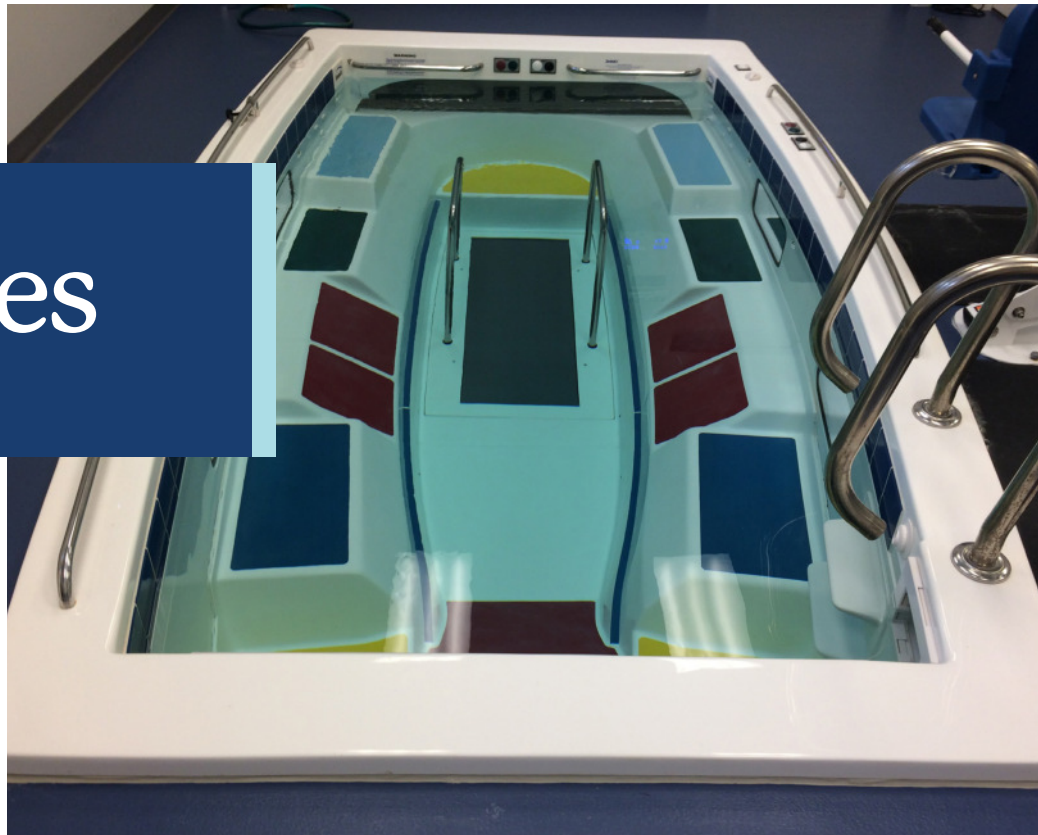

8

Features:

Adjustable Floor

Current:

Advanced Water Current

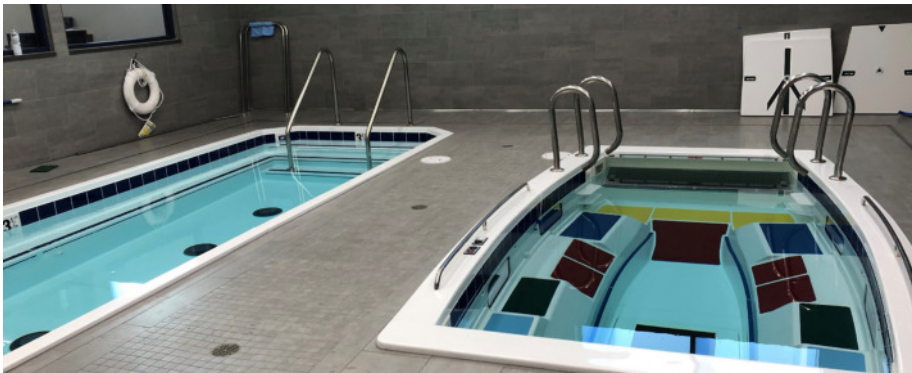

DESCRIPTION

500 T SERIES

This superior fiberglass pool is an aquatic therapy machine that offers two multipurpose water depths, 8 performance zones, plyometric pads, open/closed chain kinetic exercise benches, and access steps. Featuring the most advanced water current, this ultimate therapy pool has 100 water speeds circulating up to 25,000 gallons of water flow per minute (94,635 l/pm) to create a strong, smooth current that spans the entire pool width.

The angled running platform is an ideal tool for running against the current. Gradually increase intensity with the different water current speeds and pool depths for a seamless transition to land-based protocols. Achieve successful outcomes in aquatic therapy, training and conditioning.

Add an optional deep well for either a 62" or 74" water depth.

500 OT

one-piece pool for easy installation, no seams and no assembly required

500 T

four-piece pool for tight installations, can be assembled on-site or at the SwimEx factory

500 OT DW

one-piece pool for easy installation, no seams and no assembly required, 12" deep well

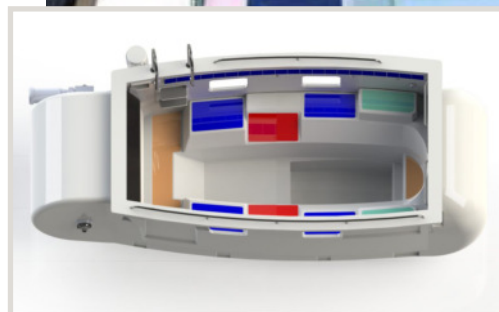

500 T DW

four-piece pool for tight installations, can be assembled on-site or at the SwimEx factory, 12" deep well.

FEATURES

500 OT, 500 T, 500 OT DW

- One-piece (500 OT) or Four-piece (500 T) construction
- 2 water depths: 38" and 50" (96.5 cm and 127 cm)
- 5 hp electric motor
- 100 adjustable water current speeds
- Commercial filtration system
- Stainless steel front and side handrails
- Equalization skimmer
- Recessed steps with stainless steel handrails
- Rear emergency shut-off bar
- Floating thermal blanket
- EDGE touchscreen monitor accurately programs water speed to measure performance
- Waterline tiles
- Professional on-site educational training
- Protocol Book & Aquatic Therapy flash drive
- 8 colored workout stations built-in around perimeter of pool
- Angled Running Pad
- 4 underwater observation windows
- 38" (97 cm) depth with floor inserts
- 500 OT/500 T DW: 12" (30.5 cm) Deepwell for 62" (154.4 cm water depth)

SPECS

	500 OT	500 OT DW
Pool size	18'-0" x 7'-8" x 4'-10.5" (5.49 m x 2.34 m x 1.49 m)	18'-0" x 7'-8" x 5'-10.5" (5.49 m x 2.34 m x 1.79 m)
Water dimensions	11'-9" x 6'-3" (3.58 m x 1.90 m)	11'-9" x 6'-3" (3.58 m x 1.90 m)
Pit size	20' x 12' x 4'-10.5" (6.1 m x 3.66 m x 1.49 m)	20' x 12' x 4'-10.5" (6.1 m x 3.66 m x 1.49 m)
Pool weight with equipment	3,200 lbs (1,451 kg)	
Pool volume	2,600 gal (9,842 l)	2,700 gal (10,220 l)
Pool filled weight	25,000 lbs (11,340 kg)	25,850 lbs (11,725 kg)
Load bearing	425 lbs sq ft (2,074.31 kg/m ²)	

OPTIONS

500 OT, 500 T, 500 OT DW

- 7.5 hp electric motor for faster water speeds
- Ozonator water purification system
- 2 underwater lights
- Custom colors or logo tiles
- Hydrotherapy jet system with up to six jets (includes 1hp pump and controller)
- Natural gas or propane heater vs standard electric heater
- HD underwater video camera system: includes 2 cameras, 24" HD monitor, DVR and cart
- Exterior video camera system with monitor
- Deep tissue massage wand with independent pump
- Removable stainless steel stabilization bar
- In-Pool fiberglass stairs w/stainless steel handrail vs. recessed steps
- Integrated motorized treadmill
- Handicap lifts
