

800S Series

800 S

Model:

800 S

Features:

**Easy to Maintain
Open Space**

Water depth:

66"

Current:

Paddlewheel Current

DESCRIPTION

800 S

The 800 S home swim spa is the ultimate multi-level pool. It features the freedom of an open work space, an overall water depth of 66" (167.6 cm) and a 30" (76 cm) deep water current. This easy-to-maintain fiberglass swimming machine can be configured with a second floor level allowing for a customized depth between 42" (107 cm) and 54" (137 cm), steps, benches, and an integrated treadmill. It is the ideal aquatic environment for non-weight-bearing aquatic exercises and therapeutic protocols for arthritis, knees, hips, lower back, lumbar spine function.
