

800T Series

800 T, 800 T WS

Model:

800 T

Features:

**Flat Bottom
Open Space**

Model:

800 T WS

Features:

**Custom Depths
Performance Zones**

800 SERIES

This versatile flat bottom pool has a large deep water area for the ultimate in non-weight bearing water exercises and hydrotherapy protocols. This dynamic pool can be customized with workstations or an integrated treadmill to create a superior high performance therapy pool. Customize the floor depths in this pool to create an efficiently versatile and powerful aquatic therapy pool.

DESCRIPTION

800 T

The 800T features an overall depth of 67 1/2" (172 cm). A second optional floor depth can be added anywhere from 42" to 60" (107 cm to 153 cm). Therapy patients benefit from two different water depths. An integrated treadmill can be built into the pool for even more versatility.

800 T WS

This pool includes the added benefit of workstations. With an overall depth of 67 1/2" (172 cm), the 800 T has independent performance zones added to the interior. Therapy patients benefit from a shallow rehabilitation area, from 42" to 60" (107 cm to 153 cm) deep water exercise areas and six performance zones. An integrated underwater treadmill can be built into the pool for even more versatility.
